

Dear Paul,

May 29, 2026

We wanted to thank you for all of your assistance in moving our belongings from the US to Cuenca, Ecuador. Your advice, assistance, and expertise were invaluable in allowing us to navigate this adventure.

From the very start you were friendly, personable and a wealth of knowledge. We felt confident every step of the way because of your communication, the assistive tools you presented us with, and your willingness to work through any "hiccups" that we encountered. You took the worry out of having our property shipped to Cuenca!

Your employees were also extremely helpful, courteous and professional. Daniel, in particular, was always willing to answer our questions and navigate issues that came up. We can honestly say that everyone associated with your company or used by your company in this process was outstanding to work with.

We will always recommend you and the outstanding service and assistance you provide to people in need of having their belongings shipped. Without hesitation, we will confidently recommend you and your company to anyone in need of relocation services for years to come.

Sincerely,  
Jeff and Shelly Troy
